

Operating Together

MISSION: RESTORE 4TH ANNUAL AFRICAN REGIONAL TRAINING OPPORTUNITY ON 4TH-5TH JULY 2019 AT MALINDI TEMPLE POINT RESORT.

In celebration of the 4th annual African Regional Training Summit to take place in Malindi, Kenya, Mission: Restore is proud to announce a **limited number of competitive scholarships**.

We are inviting applications from consultant surgeons, young trainee surgeons, anesthetists, nurses and physiotherapist to apply for the scholarships. All interested applicants should submit the following:

1. A motivation letter
2. A ten minute slide presentation or poster on a topic of your choosing.
3. Complete the Mission: Restore African Regional Training application form.

All applicants will only be served on a first come first serve basis and deadline is JUNE 1, 2019. Any participant who is interested in a scholarship must apply in writing and contact anne@missionrestore.org. Successful applicants shall be notified by JUNE 5th 2019 and shall receive either:

1. Full Scholarship may include:

- Registration fee for the conference(includes access to all sessions and exhibitions)
- Travel (Prepaid airfare at the lowest fare available, from the nearest international airport)
- Accommodation (Shared in a budget hotel for the days of the conference)

2. Partial Scholarship may include:

- Registration fee for the conference(includes access to all sessions and exhibitions)
- Accommodation (Shared in a budget hotel for the days of the conference)
- Modest daily living allowance for the duration of the conference 4th-5th July 2019.

We are also excited to announce our new Mission: Restore Training Grant scholarships for 5 new doctors who want to further their training in surgery (up to \$2000 per year per doctor).

To qualify for this grant, YOU MUST APPLY AND PARTICIPATE in the 2019 ART Summit.

Please don't miss this great opportunity to learn about the science and business of wound healing at the 2019 ART Summit and also potentially qualify for an educational grant to help achieve your dream of advanced surgical training.
